

## **The Disability service & Rehabilitation program.**

JSS only has been performing effective activities for the disable person and rehabilitation in Thakurgaon district. 05 number govt. Primary School Teachers have been received training on disability child teaching process. 25 number disabilities student admitted those govt. Primary Schools. The disabilities child are learning their lesson by the train up teachers

JSS build a therapy centre for the disabilities and a Van carriage for the transportation of the disabilities in the therapy center timely. One staff has been train up as CHDRP. CHDRP is daily given therapy to the disabilities. We supported different assistive device to the disabilities such as while chair , hearing aid , walker frame and white cane every year. In the year of 2004 we distributed 20 number assistive device among the disabilities by the District Commissioner, Thakurgaon. We are awarded to the people regarding disabilities.
