

Shishu Bikas Kazoly Model School.

JSS has been conducting Shishu Bikas kazoly Model School from 2005 in the office campus. The children of 4 to 5 years those who are come from poor people, distress, widow and divorce family they are the target student of our Kazoly Model School. School going teaching supporting to those children. There are 30 number learners those who are receiving school going teaching for admitted and better result in primary school in the year of 2018

For filling the malnutrition Khichree also provided to the learners , Khichree is being prepared by guardian of learners to one another. Two teachers also trained up as a expert teacher for school going teaching. Guardian meeting have been conducting Quarterly and Monthly basis. We are teaching to the children through different device of learning , game and playing .

In the survey of Primary Schools we find out that those learners bring out the best result of every Examination.

The Children are learning through different game and playing.
